Onan Oil and Service/Maintenance Chemicals

OnaMax™ 15W40 Oil – (part# 326-5336) **SAE 30** (part# 326-5339) Factory recommended and tested, maximum protection engine oil formulated to reduce consumption and engine wear due to high temperature oil oxidation and viscosity increase. One-quart bottle.

OnaFresh™ GXLP Fuel Stabilizer – (part# 326-5365) A premium fuel additive, specially formulated for long-lasting prevention of gasoline breakdown during extended RV storage. Protects gasoline against gum, varnish and sludge formation as well as fuel system corrosion. 16-oz. bottle treats 40 gallons of gasoline.

Onagard Storage Fogging Spray – (part# 326-5288) Protects small engines and other mechanical equipment during off-season storage. Provides protection for up to six months. 12-oz. aerosol can.

Onan Premium Fuel System Cleaner – (part# 326-5342) Promotes smoother, more efficient gasoline engine operation. Cleans dirty carburetors and fuel injection systems; removes fuel system gum and varnish; reduces valve and intake deposits. 12-oz. bottle treats up to 24 gallons of gasoline.

4/C Combustion Chamber and Carburetor Cleaner – (part# 326-5278) Removes power-robbing buildup of carbon, gum and varnish. Regular use can extend intervals between combustion chamber carbon maintenance cleanings. 12-oz. aerosol can provides carbon removal for one genset.
